Students **when not using the bathroom or getting changed students are working on Montessori activities or various projects**. Groups will rotate between completing tasks, using bathroom and changing diapers throughout the day as needed in addition to the set times.

DWH (*Diapering, Well-Check, and Hand washing*) has set times throughout the day; these times are when a child's diaper or pull up will be changed regardless of usage. The quantity of times however is not limited to, and will be changed as needed.

Potty Training or Restroom proficient children will use the bathroom at these set times (DWH) for transitions, as well as every 30-45 minutes during the day. We have an open use policy for our children with the rest room, and we encourage comfort within that space.
